The Literature-Based Curriculum at ICDC continues during the summer months with an extra dose of fun! During the month of June, children will enjoy the summertime theme "Down by the Sea." July's theme will be "America the Beautiful," and we will end the summer in August with "It's a Jungle Out There!" Through each of these themes, children will expand their knowledge through literature, music, creative art, cooking projects, and science experiments. The pace of summer may be a bit more relaxed, but the fun and learning never stop!

The Smart Start Program will be offered for four year olds in both our Summer Camp and Full Day Programs. This is a readiness class for children entering Kindergarten emphasizing reading, math, and social skills. Smart Start helps children build confidence in preparation for the upcoming transition. Smart Start for the Summer Camp Program will run Monday through Friday, July 31st – August 11th from 9:00 a.m. – 3:00 p.m. In our Full Day Program, Smart Start will take place during the month of August.
