

ICDC's Summer Camp Program this year will encompass fun and educational themes by sessions per month. Through each of these themes, children will expand their knowledge on:

**LITERATURE  
MUSIC  
CREATIVE ART  
COOKING PROJECTS  
SCIENCE EXPERIMENTS  
& MUCH MORE!**

Our "Smart Start" Program will be offered for three and four year olds in both our summer camp and full day. The goal is to provide a review and a readiness class for children entering Kindergarten
