

PARENTS CORNER: A Monthly News Update

February 2022

Dear Interfaith families,

Thank you to all those who participated in our Parent/Teacher Conferences. We feel this formal meeting is vital communication in the assessment and growth for your child's early education. We hope that we were able to answer all of your questions. Please feel free to call me at any time with any concerns or questions you may have regarding your child's development. Working together as a team will allow us to reach our goals for your children.

As a reminder, in-house registration for current students will take place February 7th – 9th. A separate email with full instructions will be sent out next week on the process. February 10th is the day to request a change to a different program for your child. This registration is for both summer and fall. This year's registration will be **online only** and will open on the assigned days at 8:00 am. Please look for the instructions that will be sent out early in the week.

We look forward to having your children back with us this summer and in the year ahead! Please mark your calendars for the Scholastic Book Fair on February 1st to 4th. This year's Book Fair is in person in the Great Room!

We feel so honored to be a part of your child's life. Thank you for your support and have a fantastic February!

Sincerely,

Martha Klie
Director

HEALTH & SAFETY

Flu season is here. We ask that you please help us keep our children and staff healthy and safe by preventing the spread of illness. Please follow the next few tips:

- Frequent and good handwashing will help us prevent the spread of viruses.
- Remind your children to cough and sneeze into a tissue and/or always cover their mouths and avoid touching their eyes, nose, or mouth.
- Getting the flu vaccine is important as well.
- Please keep children that show any symptoms of the flu or virus at home and provide the school with a diagnosis.

We continue to operate under Emergency Rules by the state of Texas due to COVID-19. We ask that you please follow our policies and health standards as we continue to provide a healthy and safe environment for our students and staff. Information is sent to our families and staff once a positive result by a student or staff member, of a communicable disease (COVID, Flu, Strep, pink eye, etc.) has been received.

All questions, reports or concerns must be addressed directly with the Director at mklie@woodlandsinterfaith.org.
